

Gulf Coast Bible camp was started over 40 years ago by a group of Christians who recognized that the young people of the church needed a place where they could get away from the world, and spend time together in worship, fun and fellowship. We have adopted the term 'Fasting From the World'.

Each year thousands of Christians come to camps such as this one to find that kind of environment. We hope you can find time to join us for this workshop as we learn from each other how to better serve our youth.

National Association of Christian Camps: 2011 Workshop

The National Association of Christian Camps (NACC) is a non profit organization made up of Christian Camps owned and operated by the churches of Christ throughout the United States. This year Gulf Coast Bible Camp will be the host for the 2011 annual NACC workshop. The workshop will be September 13th—16th. Cost information is provided on the attached registration form. The schedule for this event is outlined for your convenience. There is no better place in the world to get information and ‘wisdom’ on how to better organize and run a week of camp. Daily visitors are welcome to come out and take advantage of these classes as well.

Website Information can be found at GulfCoastBibleCamp.com. If you are trying to locate the camp by GPS or Mapquest, use 120 Bible Camp Rd. Lucedale MS 39452.
