Introducing the NACC

National Association of
Christian Camps

*among
churches of Christ
in the U.S. and Canada*

Who Are We?

The NACC is an all volunteer non-profit organization *"Dedicated to encouraging and equipping Christians in the ministry of Christian Camping."*

We seek to accomplish this mission by soliciting camp

program ideas and concepts from active camp workers

and sharing this information through our website at www.naccamps.org, the annual National Christian Camping Workshop, and our newsletter, CAMPTALK.

Membership in the NACC is based on the idea of not "what do I get" by being a member but upon "what do I get to share and give?" Simply stated: "By our sharing and giving, we get."

Our History

In the early 1990's at the annual National Christian Camping Workshop, the participants began to discuss the need for communicating and sharing information about Christian Camping during the entire year. A newsletter idea was discussed. This discussion led to the eventual formation of the NACC in 1998 with our newsletter, CAMPTALK, being one the ways of communicating with our brotherhood. We are an all volunteer 501 (3)c non-profit organization incorporated in the state of Texas.

We are supported by the generosity of individual camps that become members of the NACC and individuals within these camps who volunteer their time and energies, contributing to the benefit of all involved in the ministry of Christian Camping.

National Christian Camping Workshop

Conducted at various campsites across our nation since 1967, the workshop has proven to be a rich resource for Christians from across the U.S. and Canada. Camp workers come together to share ideas and encourage one another in the ministry of Christian Camping. Host camps provide facilities and organize the program. Fees are kept low in order to make the workshop as economical as possible.

When asked: *"Why do you spend time, energy, and money to attend the National Christian Camping Workshop?"* one attendee responded....

"The workshop helps to remind us of our focus and why we do what we do. Spending time with people in the same ministry, sharing and exchanging ideas has helped us grow and be better at what we do."
